

SUPPRESSION SYSTEM SERVICE

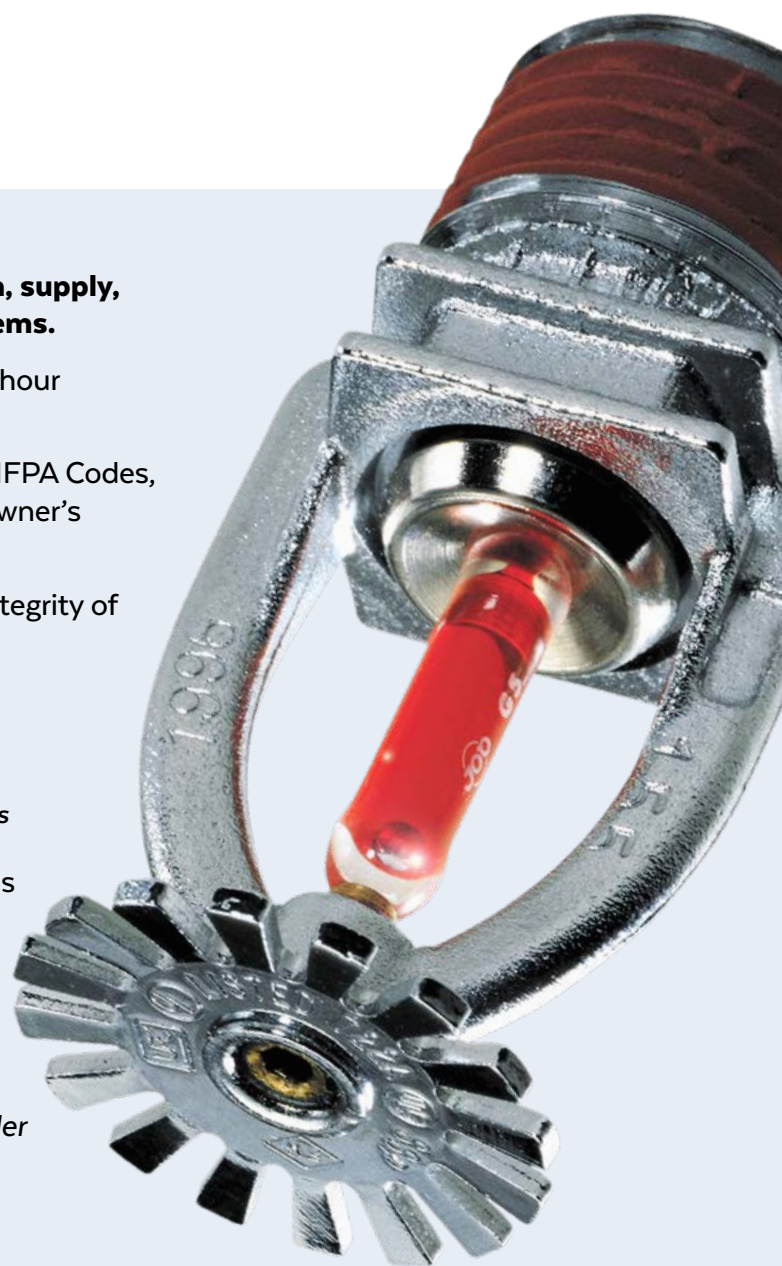

ALWAYS ON CALL

We are one of Canada's premier suppliers of life safety service.

We are a full service sprinkler company able to design, supply, install, service and inspect all types of sprinkler systems.

- Our licensed sprinkler service technicians provide 24-hour emergency service.
- We perform inspections as per any of the following: NFPA Codes, Fire Marshall, Local Fire Dept., Insurance Authority, Owner's requirements.
- Inspections are performed to verify the operational integrity of your sprinkler system. Testing includes:
 - Main drain test
 - Flow test through inspector's test connection
 - Zone valves and flow switches
 - Control valves
 - Low point drains
 - Antifreeze solution
 - Quick opening devices
- A detailed list of all inspection times and test results is provided in an easy to read format.
- We identify preventive maintenance items and list all deficiencies and recommendations.
- We provide a Certificate of Compliance.
- We are a member of the *Canadian Automatic Sprinkler Association*.

Contact us today to find out how we can help.

National life safety and property protection
